Re: Heartland Resurgence (C00544551) - Response to Request for Additional
Information Regarding July Quarterly Report

Dear Mr. Jones:

This correspondence issues on behalf of Heartland Resurgence (Committee Identification Number C00544551) and its Treasurer, Mr. Aaron Willard, in response to your Request for Additional Information (RAI) dated September 16, 2014.

As indicated in your letter, it appears that the July Quarterly Report filed by Mr. Willard on behalf of Heartland Resurgence contained some inadvertent errors in its detailed summary pages. Specifically, it appears that the dollar amounts reflected in the Column B sections of the Report's summary pages were inaccurate "carry-over" figures from the Committee's previous disclosure reports rather than "Calendar Year-to-Date" figures for 2014. Additionally, it appears that the "Calendar Year-to-Date" entry for Line 6(a) of the report was erroneously left blank. These technical deficiencies in the Column B section entries were wholly unintentional and the result of a misunderstanding by Mr. Willard about the nature of the data required for the Column B sections on Heartland Resurgence's disclosure.

In an effort to swiftly address these errors, Heartland Resurgence has amended its July Quarterly Report and corrected the financial information contained in the Column B sections of the submission. The committee's Amended July Quarterly Disclosure Report is included as an attachment to this letter and should resolve any outstanding questions regarding the original July report. Please accept this amended filing for processing and posting on the Federal Election Commission website.
